Following the Minimum Contract Period, the Contract shall automatically renew for consecutive additional periods of one (1) year each, unless either Party gives the other Party written notice of its intention not to renew at least three (3) months prior to the date on which the Contract would otherwise renew.

3.2 Either Party may, without prejudice to any of its other rights arising hereunder, upon giving written notice, terminate the Contract with immediate effect, if: (I) the other Party fails to observe or perform any material term or condition hereof, including in any event non- or late payment, and such default or breach (if capable of remedy) is not remedied within twenty (20) calendar days after notice in writing, specifying the breach and requiring the same to be remedied, has been given; or (II) any of the following events occur: (a) the presentation of a petition for winding up of the other Party; (b) the other Party is the subject of an order or an effective resolution is passed for winding up the other Party; (c) the application for an order or application for the appointment of a receiver (including an administrative receiver), administrator, trustee or similar officer in respect of the other Party; (d) if a receiver, administrative receiver, administrator or similar office is appointed over all or any part of the assets or undertaking of the other Party; (e) the other Party making a composition or arrangement with its creditors generally or an assignment for the benefit of its creditors or other similar arrangement; (f) the other Party goes into liquidation; (g) the other Party becoming unable to pay its debts or otherwise becoming insolvent; or (h) the other Party ceasing, or threatening to cease, to carry on business.

3.3 Upon: (I) the Client's actual or intended petition for insolvency; or (II) the institution of bankruptcy proceedings; or (III) the appointment of a receiver or administrative receiver in respect of the Client; or (IV) the petition or award of a suspension of payments order; or (V) the Client offering its creditors a private repayment arrangement or should its assets be attached; or (VI) the Client becoming unable to pay its debts or otherwise becoming insolvent; (VII) a default by the Client under any agreement with Webfleet Solutions or any of its Affiliates, then the Client's debts to Webfleet Solutions shall become immediately due and payable. If the Client exceeds the credit limit or fails to provide the required security deposit, Webfleet Solutions may terminate this Contract with immediate effect and retain any such funds necessary to cover unpaid invoices by the Client concerning the rates for Products and WEBFLEET Service subscription fees and/or costs related to the failure of the Client to return the rental Products to Webfleet Solutions, as applicable.

5.1 Except for payment obligations, if a Party is prevented or delayed in the performance of any of its obligations under the Contract by Force Majeure, then that Party will be excused from the performance or punctual performance, as the case may be, of its obligations, to the extent that such Force Majeure continues, and such Party agrees to use all reasonable endeavours to overcome or work around the Force Majeure so as to be able to perform its obligations under the Contract. In no case shall an event of Force Majeure excuse timely payment of fees and charges due by the Client to Webfleet Solutions for the provision of WEBFLEET Service, or for the purchase or rental of Products. For the sake of clarity, the Client shall not be entitled to invoke Force Majeure as an excuse for non-payment of the invoices submitted by Webfleet Solutions.

6.2 In the event the Client at any time whether directly or indirectly contests Webfleet Solutions' ownership of the Intellectual Property Rights, or does anything that would jeopardize or diminish Webfleet Solutions' rights to the WEBFLEET Service, WEBFLEET Website, WEBFLEET Telematics Service Platform, Webfleet Solutions Mobile Applications or the Products, or the value of the Intellectual Property Rights vested therein, Webfleet Solutions has the right to immediately terminate the Contract.

6.3 The Client shall not engage in any conduct which in the opinion of Webfleet Solutions is prejudicial or likely in the future to be prejudicial to Webfleet Solutions' business or marketing of the Products.
