

Statement regarding Webfleet Solutions products in respect of REACH compliance

Amsterdam, 24 June 2021

Webfleet Solutions is Europe's leading provider of fleet management, vehicle tracking solutions and connected car services. Webfleet Solutions products and services are used by businesses of all sizes with the aim to improve performance, save fuel, support drivers and increase overall fleet efficiency.

Webfleet Solutions puts a great emphasis on conducting its business in a responsible and sustainable manner. We share and support the mission to reduce and restrict hazardous chemical substances. We subscribe to the objectives of the Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH Regulation) effective as of 1 June 2007. This Regulation is aimed at adopting measures needed to improve the protection of human health and the environment from the risks that can be posed by chemicals.

Webfleet Solutions products are designed and manufactured in compliance with REACH Regulation and its amendments. From verification via the suppliers and the ECHA website, to the best of our knowledge, our products do not contain any known substance of very high concern (SVHC) above 0.1% or are listed on the Authorisation list (REACH Annex XIV) or Restrictions list (REACH Annex XVII). Under normal and reasonably foreseeable circumstances of application, the products supplied by Webfleet Solutions shall not release any SVHC or Restricted Substances.

Webfleet Solutions environmental management requirements for Webfleet Solutions suppliers establishes a range of requirements aimed at ensuring compliance with REACH Regulation and ensuring that restricted substances are not present in Webfleet Solutions finished products supplied to us. Our suppliers have committed themselves to complying with the forbidden substances regulations and duties of declaration according to REACH Regulation requirements. Transparency, partnership-based cooperation and active information exchange are the basis of our business relationships. This ensures that the products supplied to us meet our and legislative requirements.

This REACH Compliance Statement is provided in good faith and will be updated as soon as any changes related to our products occur in the light of REACH Regulation.
